## Eligibility

I confirm that I have read and agreed to the Critter Camp Release Form (see back of this form)

### **Critter Camp Release**

I understand that said child will be participating in activities at the Houston SPCA and in the course of such activities said child may have direct contact with domestic and farm animals.

I further understand that the behavior of domestic and farm animals is sometimes unpredictable and that some domestic and farm animals are capable of inflicting serious personal injury, as well as extensive property damage. Knowing the risks of handling domestic animals, on behalf of the minor and myself, I agree to assume those risks and to release, indemnify, and hold harmless the Houston SPCA and/or any of its officers, directors, employees, volunteers, agents, or contractors for any and all personal injury and property damages resulting from said child's participation in activities.

I also understand that said child is to remain on the Houston SPCA property for the duration of the activities. If my child leaves the property during participation, with or without permission from a staff member, I release, indemnify, and hold harmless the Houston SPCA for any and all personal injury and property damages resulting from said child leaving the Houston SPCA property. I also understand that I will be held responsible for any damages to Houston SPCA property caused by said child.

I understand that my child may be sent home if said child is to become ill or behaves in a manner that is disruptive to camp and Houston SPCA shelter activities.

I give the Houston SPCA authority to seek emergency medical treatment for said child. I know of no medical or other condition that would prevent said child from participation in activities at the Houston SPCA. In case of the need for medical treatment, Houston SPCA shall take reasonable efforts to notify me and get my participation and consent for treatment. However, I realize that this may not be practical or that I may not be available. By submitting this form, I authorize Houston SPCA, through its agents, employees and volunteers, on my behalf and at my account, to take such measures and arrange for such medical treatment as it may deem advisable for the health and well-being of my child without need for further consent or permission. On my behalf and on behalf of my child, I authorize Houston SPCA to execute all documents necessary, including without limitation, medical releases, in order to secure such medical treatment.

I grant the right to photograph, reproduce, and use said child's first name, picture, voice, words, silhouette, and other reproductions of physical likeness in connection with the Houston SPCA promotions.
